Our Support

We darilyngly boast of our perfect education system making a beginner professional for short period and a customer at any place in the world can be warranted through scrupulous technology support and transfer.

What we are...

Coollex industries with over three decades of expertise in making air conditioning & refrigeration systems, observed the fast changing scenario in the world about the incredible opportunity that awaits in the field of food vending and kiosk business and ventured into franchising these successful concepts in india, dubai and malaysia. we have been supporting entrepreneurs and institutions who wish to set up their own chain of snack food and kiosk vending business.

Coollex industries is founded by dynamic and innovative personality Mr. P.Radhakrishna who introduced world's first concepts like microprocessor multi split air conditioned, instant coconut chiller and sugarcane crusher cum chiller, the same legacy is continued by his son Mr. P. Sandesh with more dedication and innovation.

Coollex is also the leading manufacturer of high quality soya food products.
